

Dear SAAS Seniors and Families,

We are thrilled to announce that SAAS Senior Grad Night will take place immediately following graduation, on June 8, 2022!

Grad Night is a party that senior class parents organize; it is not a school sponsored event. The party provides seniors with an opportunity for a safe, drug and alcohol-free celebration with non-stop entertainment, all night long. SAAS Senior Grad Night gives seniors one last chance to be together as a class. This event will only happen once in a lifetime, but the memories will remain for years and years to come.

We have been hard at work creating the ultimate party that will send our seniors off in style! The party begins with organized bus transportation picking up students directly from graduation at T-Mobile, traveling to surprise destinations with incredible entertainment, food and music, and then returning seniors to SAAS early in the morning on June 9th for family pick-up (approximately 5:00am).

Watch your mail for a **Big Red Envelope** containing all the forms you need to register for Senior Grad Night.

EVENT ATTENDEE COVID WAIVER AND RELEASE OF LIABILITY FORM

The novel coronavirus, COVID-19, is a recognized pandemic and federal, state, and local governments along with federal and state health agencies are creating or modifying regulations regarding events and social gatherings as the pandemic landscape changes.

The parent planning committee continues to monitor policy and procedures during the COVID-19 pandemic. The safety and well-being of event attendees, including seniors, chaperones, vendors, and employees is our top priority. As Event Hosts, we are collaborating with the Howard Group, Inc., d/b/a Grad Nights, vendors and venues collectively known as the Graduation Party Producers to implement practices and comply with regulations aimed at managing the spread of COVID at social events.

We have worked to put in place preventative measures to reduce the spread of the COVID-19 virus; however, neither we as the Event Hosts (Parent Planning Committee), or any member of The Graduation Party Producers is able to guarantee that any event attendee will not become infected with the virus while participating in or attending the graduation party.

Monitoring and enforcement of the event policies and safety guidelines and CDC recommendations will be handled by the parent planning committee, parent chaperones, and the venue staff. Please review the agreement below. Additionally, your signature will be required as a confirmation of your intent and commitment to abide by policies put in place to protect senior attendees, volunteer chaperones, venue and vendor staff, other volunteers, and event staff.
